Meeting Responses

Traits/Skills - Recurrent topics:

- Excellent communication skills
 - Good listener
 - Transparent
 - Doesn't rule by fear
 - Encourages input before making decisions
 - Empathetic, passionate
- Ability to recruit and retain experienced teachers
- Healer
- Ability to unite community
 - Ability to re-establish trust with community
- Visionary

Meeting Responses

Traits/Skills - Recurrent topics:

- Knowledgeable about consent order and unitary status
- Good knowledge of finances
- Able to balance students' and teachers' needs
 - Values students; student focused
 - Intent on serving all students, not just a segment of the student body
 - Supportive of teachers
- Willing to make difficult decisions
 - Makes a decision and stands by it

Meeting Responses

Traits/Skills - Recurrent topics:

- Strong relationship building skills
- Servant leader
- Experience as an educator, not a military background

Meeting Responses

Challenges facing next superintendent:

- Uniting the community
- Raising morale
- Balancing use of technology vs. textbooks
- Eliminating temporary employees in support services
- Helping to unite the board
- Helping the board better understand the schools' needs
- Allowing time for new programs to be mastered before new ones are added

Meeting Responses

Challenges facing next superintendent:

- Eliminating mining of student data and/or reducing data collection
- Reducing the number of central office administrators
- Stopping the business community from dictating the curriculum
- Improving student discipline
- Reducing amount of standardized testing
- Perception that the computers are more of a problem than asset
